

## The Town of Stephenville Mechanic II

The Town of Stephenville is accepting applications for the position of Mechanic II.

**Duties:** The Mechanic II is responsible for conducting mechanical maintenance and repairs on vehicles and equipment of diesel- and gas-powered equipment; analyzing, troubleshooting, scheduling and triaging vehicle and equipment maintenance and repairs, including basic records management.

**Qualifications:** Successful completion of a Secondary School Grade 12 diploma or equivalent. Possession of a valid Inter-Provincial License for either a Commercial Transport Mechanic and/or a Heavy Duty Mechanic. Provide equipment mechanic's training certificate of competency in both gas and diesel. A valid driver's license suitable for the classes of vehicles involved. Must be proficient in Microsoft word programs. Possessing valid certificates in WHMIS, and first Aid will be an asset.

Must be qualified and sign Provincial Government certificate for operation of Heavy Equipment Garage. It would be an asset to have experience and/or qualifications working on Emergency vehicles. Successful applicants must provide tools of trade required.

This is a unionized position with a 40-hour work week, benefits and salary in accordance with the Collective Agreement with NAPE Local 1803. Callouts and overtime may be required.

Successful applicants will be required to provide a driver's abstract, certificate of conduct and willing to undergo a medical examination, and first aid training, at the town's expense.

Please submit resume, along with copy of credentials before September 7, 2023 to Chief Administrative Officer, [colin.maddock@stephenville.ca](mailto:colin.maddock@stephenville.ca)

The Town of Stephenville thanks all applicants for their interest; however, only those selected for an interview will be contacted.
