Annual Fall Clean-up 2025

The Town of Stephenville invites quote prices for the supply of 4 (four) 30 yd³ metal containers.

The quote price per container will be based on per/load delivered to the St. George's Waste Disposal Site. The number of deliveries to the disposal site will depend on the daily flow of garbage.

Depending on the amount of garbage, the containers will be required for approximately 2 (two) weeks.
